Effective Membership

By District Governor Lion SK Ho

Worldwide membership of Lions has been stagnant for over the last 30 years, hovering around 1.4 million members.

It is increasingly difficult for Club members to meet regularly and cultivate something special that existed among them in the past. Team building has become the principal challenge for our leaders of today. These challenges need to be addressed, fresh strategies developed, implemented and monitored for effective teamwork to be re-established.

Yesterday's success was brought about by the creativity, individuality and objectivity within each Lions Club and it was the distinguished pride of belonging that had propelled Lionism to great heights.

The foundation of Lionism is based on the effective performance of Lions Clubs where its service activities and the efficacy of its leaders are measured.

Our District leadership intends to rejuvenate and rekindle the spirit and passion within each Lions Club. But, we cannot start on a journey without first charting a course and having a well-tested compass to guide our progress.

The Constitution & By-Laws (C&BL) of every Lions Club in Singapore is approved by the Registry of Societies before it is permitted to execute its activities and participate in the civic, cultural, social & moral welfare of the community. This constitutes the crux of Lionism to achieve the Mission of LCI while the District coordinates the operations of its chartered clubs in their respective jurisdiction.

A critical need for the sustenance of Lionism is for such Clubs to be inducting and nurturing members to be dedicated Lions. The survival of a Lions Club is ultimately dependent upon its ability to consistently meet the expectations of its members who, after all, are volunteers.

As a Lions Club is the most important link in the chain of Lionism, what are the facets that significantly contribute to its successful existence? What are the performance indicators that will nurture Effective Membership?

There is indeed a need for a successful, well understood and practical strategy for team building around an agreed Mission. Also, for well-respected leaders to sustain the synergy of independent individuals who have proudly gathered to serve under the Club's banner.

The 'qualities' of a Lion can be summarised as:

- financially independent & generous;
- able & willing to serve;
- resourceful & team player.

Every Lions Club must grow its membership or stagnate and decline with eventual closure.

WE SERVE TOGETHER

District 308A1 Singapore 2022/23 E-Bulletin 1st Edition

10 August 2022

Clearly, we cannot have a Club with only one member, nor one with a thousand phantom members. Every Club must determine its critical mass that will provide a useful benchmark to derive synergy for it to fulfil its obligations effectively.

Qualities of a Lions Club:

- Integrity in fulfilling its Charter obligations and its own C&BL;
- Adherence to its C&BL on leadership structure and decision-making process;
- Regularity of meetings at locations authorised by its Board of Directors (BOD);
- Participation of members in Club's activities and harmony among members;
- Integrity in its process of selection, induction, orientation and nurturing of new members;
- Publicity and choice of its beneficiaries for fund raising projects and service activities;
- Acknowledgement of District and International Lions;
- Participation in District and International assemblies and projects.

Important factors on Club Management:

- Effective teamwork;
- Quality and strength of members;
- Club's ethos.

Elements of Effective Teamwork:

- Club's Mission formally authorised by members and compatible with LCI;
- Goals and Action Plans approved by members;
- Accountability;
- Members acceptance of duties;
- Guidance by leaders to complete their tasks on time;
- Annual celebrations and awards for goals achieved and members good performance.

We need to make our work greater than ourselves, our personal goals and ambitions or those of our friends and families. Let the needs of our Mission and Goals prevail over all other considerations. Let every contest for leadership be ranged against the past and the promised future. Let honour be consecrated on the anvil of accountability.

In summary, to be an effective Lions Club, it must evolve and focus on its own unique Mission, as long as it promotes Lionism in its community and, most importantly, is popular and acceptable with its own members and a source of Pride.

成为有功效会员

区总监何沁光著

在过去的 30 年里，狮子会的全球会员人数一直停滞不前，徘徊在 140 万左右。分会成员越来越难定期见面并培养他们之前的特殊关系。团队建设已成为当今领导者所面临的主要挑战。我们要面对这挑战，一起来制定、实施和监测崭新战略，重建有效的合作团队。

过去的成就是来自每个狮子会的创造力、个性和客观性。正是这种卓越的归属感将狮子会运动推向了高峰。

狮子会运动的主要基础是衡量狮子会的有效表现，其服务活动和领导者的效能。

我们区领导层打算重振和重燃每位狮友的精神和热情。但是，如果没有首先制定路线并有良好方针来指导成功进展，我们就无法启动这旅程。

新加坡每个狮子会的章程和附则在获得社团注册局批准后，才可以开展和参与社区的公民、文化、社会和道德福利活动。这形成了狮子会在实现国际狮子会使命的同时，各区必须协调其特许分会在各自管辖范围内的运作。

维持狮子会运动的一个关键，是分会负责引导和培养具有奉献精神的敬业狮友。狮子会的存活取决于它始终是否能够满足其会员的期望，毕竟他们都是志愿人士。

分会是最重要的一环，什么才是成功存活因素？什么是培养有功效会员的成绩指标？

团队需要一个成功的、简易理解和实用的战略来确定使命与建设。此外，尊敬的领导者，必须维持和协调那些在分会旗帜下的独立人士，让他们自豪地聚集与服务。

狮友的“品质”可以概括为：

- 财务独立且慷慨；
- 能够并情愿服务；
- 谋求资源和团结合作者。

每个狮子会都必须增强其会员人数，否则会停滞不前而最终关闭。

显然，我们不能有一个只有一位成员的分会，也不能有一个拥有一千位幽灵成员的分会。每个分会都必须确定它的临界质量，有基准来协助运作，有效地履行其义务。

狮子会的素质：

- 诚信履行其特许分会章程义务和本会的章程和附则；
- 遵守分会领导结构和决策过程的章程和附则；
- 定期在其董事会授权的地点举行会议；

- 会员参与分会活动和会员之间的和谐;
- 在新成员的选拔、入职、引导和培养过程中保持诚信;
- 募集资金项目和服务活动与受益人的宣传和选择;
- 迎接承认区内狮友和国际狮友;
- 参与区域和国际集会和项目。

分会管理的重要因素:

- 有效的团队合作;
- 成员的质量和实力;
- 分会的精神。

有效团队合作的要素:

- 分会的使命由会员正式授权并与国际狮子会兼容;
- 由会员批准的目标和行动计划;
- 问责制;
- 会员接受义务;
- 领导引向与按时完成任务;
- 年度庆祝活动和奖励目标实现和成员的良好表现。

我们需要使我们的工作比自身个人目标和抱负、朋友和家人的目标和抱负更加伟大。让我们的使命和目标凌驾于所有其他考虑之上。让每一次领导权竞赛都呈现在以前与未来的承诺。让荣誉建立于贡献责任的铁砧上。

总而言之，要成为一个有功效的狮子会，它必须开展并专注于自身独特的使命，以及在其社区中推广狮子会运动，最重要的是，它受到自己的会员的欢迎与接受，是骄傲的渊源。

Report on Joint Installation Lions Clubs International District 308-A1 Inauguration of District Governor Ho Sum Kwong and Joint Installation Ceremony of Club Presidents and Cabinet Officers 2022- 2023

By Organizing Chairperson, Region Chairperson Tricia Tang

On the 30th of July 2022, the Lions Clubs International District 308-A1 celebrated the Inauguration of District Governor (DG) Ho Sum Kwong (SK Ho) and the Joint Installation of Club Presidents and Cabinet Officers 2022- 2023 at the Orchard Hotel Grand Ballroom. The formal gala dinner was attended by close to 750 people, where 75 club presidents and 73 cabinet officers were installed. Lions members and guests were from Singapore and foreign countries such as Malaysia, Indonesia, Philippines, Taiwan and China.

The guest-of-honour who graced the event was none other than the Past International Director, Global Action Team Regional Area Leader Datuk Dr. K. Nagaratnam. Council Chairman Kenny Low was the installation officer for the presidents that night. Both had travelled to Singapore from Malaysia just to officiate the event.

The Lions Clubs International President Brian Sheehan (from the United States of America), Past International President Kajit Habananada (from Thailand), Past International President Dr. Choi Jung-Yul (from Korea), Past International President Dr. Jitsuhiro Yamada (from Japan), Past International President Dr. Tam Wing Kun (from Hong Kong) congratulated District Governor SK Ho, the Club Presidents and Cabinet Officers of District 308-A1 with video greetings that they specially recorded for the event, as they could not travel to Singapore.

The ceremony began with a grand rendition of the theme song for the night “You light up my life”. The inauguration of District Governor SK Ho began with a citation from Past District Governor William Kwok and the declaration by Guest-of-honour Past International Director Global Action Team Regional Area Leader Datuk Dr. Nagaratnam, witnessed by Council Chairman Kenny Low. The event then unfolded with the installation of the Club Presidents and the installation of the Cabinet Officers by District Governor SK Ho. The 1st Vice District Governor Yeo Siew Yam and 2nd Vice District Governor Shirley Lee proudly took their oaths of allegiance on stage.

It was indeed a memorable and happy occasion where Lions members and their friends celebrated together, cheered for their leaders and enjoyed great fellowship with one another. The night ended on a high note when the Lions Karaoke Interest Group had the opportunity to showcase their singing talent on stage, ending with the song “We are the World” sung together with District Governor SK Ho.

Just as the theme of the night, “Light up our lives serving together”, may the Lions leaders and members be the light that touch the lives of others, serving together. We serve together, Together We Can.

Karaoke

by Lion Loh Yan Poh

Lions love singing, and we have continued to do so via monthly Zoomaraoke sessions organized by the Lions Karaoke Group since the beginning of the Covid pandemic. We have also raised funds for the Lions Home (LHE) and Lions Befrienders (LB) through the voices of Lions and friends. As conditions improved, we have also added live singing from studios owned by Lions and organized a friendly Talentime contest among ourselves. For the coming year, we shall continue to expand our activities to more Lions Clubs and also to the LB and LHE seniors. Let's Sing!

Photography

by Lion Raymond Wee

Lions Photography Interest Group (PIG) was initiated by PDG Nancy Lim when she was DG in 2015-2016. Lion Johnny Chia was the DC Photography then, and was tasked to form the PIG for the District.

The objective of the PIG is to share the interest in photography with fellow Lions and create good bonding for Lions in our District. Members have contributed their skills and time to capture the memorable moments of events and milestones year after year in our District. We organize talks, outings, workshops and sharing sessions to help our members learn photography and pick up this wonderful hobby.

Gardening

by Lion Bernard Hon

The Lions Gardening-Bonsai Group is a group of people of various ages, professions, and differing levels of knowledge about gardening, but who all share a keen interest in Hobby gardening. The main intention of our Group is to share tips and knowledge on hobby gardening, be it potted gardening, landed gardening. All are welcome to share.

We believe that gardening has therapeutic benefits and is an activity that promotes overall health, quality of life, physical strength, fitness, socialization, psychological, emotional, social, and spiritual wellbeing.

With our collective knowledge of hobby gardening, and with permission from LHE CEO, as well as the support of National Parks Board's Community in Bloom Dept (CIB), our Group embarked on reorganising and planting of edible veggies and ornamental flowers in LHE Bishan.

With support from NParks' CIB Dept, we conducted a workshop on 14th June 2022 at LHE Bishan on the basics of gardening, where residents, staff of the Home and fellow Lions attended.
