This publication provides a detailed narrative of the evolution of the Lions Movement in Singapore, from its modest inception to its present stature. MESSAGE BY DISTRICT GOVERNOR

The Lions Movement has been in existence in Singapore for 65 years and more. And in July 2023, the Singapore Lions Movement redistricted from Multiple District 308 and entered a new era as an independent Single District – the Lions Clubs International District 309. It represents the birth of a new chapter of the collective journey of service, compassion and commitment of Singapore Lions.

To celebrate this significant milestone of 65 years and welcome the birth of District 309, a Commemorative Book named District 309 (Singapore), Our Lions Story will be issued encapsulating the first day of the formation of the Singapore Lions Clubs Movement and its milestone during the past 65 years to its current status as an Independent Single District 309. It will serve to remind Lions of the sacrifices and efforts of the forefathers and members of our Lions Movements had made to build the foundation upon which we will continue the legacy to build a thriving district that leaves an indelible mark on our communities. District 309 will be an inspiration for compassion, collaboration and excellence where Lions are Everyday Heroes who will make a big difference in the lives of others. We Serve, Changing the World!

It is indeed my honour and pride to be the first District Governor of Lions Clubs International District 309 and to have a hand in the production of this commemorative book on Lions history. It will be much treasured by Lions and non-Lions for its historical value and its huge array of pictures, memorabilia and with anecdotes, personal recollections of past and present Lions leaders of District 309.

MESSAGE BY PAST INTERNATIONAL DIRECTOR

Dear District Governor Yeo Siew Yam

Congratulations on your term as First District Governor for D309 Singapore.

I am very honoured to write this message for our District's 65th Anniversary Commemorative book. Lions started here in Singapore in 1958 and we have come a long way since then.

Lions are actively promoting leadership development and training, service in reaching out to the less fortunate in the community and also creating healthy membership growth in the District. We had faced difficult times during the pandemic. We came back stronger and will be even more ready for any future crisis.

As you are all aware that the 103rd Lions International Convention, which was supposed to be held here in 2020 was cancelled due to the COVID19 pandemic, I will like to take this opportunity to welcome our Lions who can volunteer their time for the 110th International Convention which will be held here in Singapore in 2028. You can approach me for that.

Stay safe and I wish you all the very best!

Yours in Lionism

MESSAGE BY GAT AREA LEADER

It is with great feeling to see the Singapore Lions finally have their own District 309, just like that many things are changing as time passes.

However, It is difficult to accept that after so many years being together with the Malaysia Lions and Brunei Lions you are now on your own.

Your District has grown quite fast in membership in the last few years which proves that membership recruitment, club extension and club retention are working. As a GAT CA5 "English speaking" OSEAL Area Leader, I am happy to witness such growth and hope you will continue to grow with quality members. Thus, there are more hands to serve.

I am looking forward to working with you and the Singapore Lions in District 309 in the coming years as your GAT Area Leader. We will be concentrating on membership growth and forming new Lions Clubs in the next three years in order to help LCI reach the membership target of 1.5 million members.

I am sure that you will make the target set and will certainly surpass it and prove that the new District is strong and ready to move forward in this Changing world.

MESSAGE BY

SENIOR PARLIAMENTARY SECRETARY

Dear Lions of District 309 Singapore,

Congratulations on the remarkable achievement of commemorating the first year of the Lions Club Singapore District 309! This milestone is testament to your unwavering dedication, compassionate service, and tireless efforts to improve the lives of those in our community.

The Lions Movement has had an impressive record of community service in Singapore since 1958, with the charter of the first Lions Club of Singapore Host. Under the leadership of DG Siew Yam, District 309 has got off to a promising start with membership having grown to 110 clubs and over 3,700 members.

The theme for this year's District 309 first Lions Convention is "Lions Serve, Changing the World". This is an apt theme. We are seeing an increasingly fragmented world, one that may be less hospitable to small states like Singapore. These geopolitical uncertainties abroad not only impact the global economy but can also have a polarising effect on all societies.

The Government is committed to play an active role to build a united and cohesive society where every Singaporean has full and equal opportunity to flourish and contribute. To achieve this, it is a whole-of-nation effort and we must continue to work together to strengthen our social fabric and build an inclusive society. I am confident that you will continue to inspire the next generation of leaders to contribute back to the community and support those in need around us.

On behalf of the community, I extend my best wishes to the Lions of District 309 Singapore. May Lions Club Singapore District 309 grow from strength to strength, lighting the way for a brighter and more compassionate future.

I extend my heartfelt congratulations to District 309 as you celebrate your 1st anniversary.

Under the capable leadership of District Governor Yeo Siew Yam, the Lions of Singapore have organized numerous service projects and activities, significantly improving our communities and making them better places to live and raise families. I have personally witnessed many of these commendable acts of giving.

This book is not only a testament to your outstanding achievements, which reflect high-quality leadership and a commitment to serving the less fortunate, but also a celebration of the human spirit. Your untiring self-sacrifice and compassion exemplify the true essence of Lionism and serve as an inspiration to all.

The success of the Lions movement in Singapore is undoubtedly due to the commitment of its members to the motto "We Serve." This dedication to providing quality service has given the Lions movement its distinguished reputation and serves as a prime example for many to emulate.

LIONS CLUBS INTERNATIONAL LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business, it is not necessary to tear down another's: to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or actions towards others, to resolve such doubt against myself.

TO HOLD friendship as an end not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give to them freely of my time, labour and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak and my sustenance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise. To build up and not destroy.

MELVIN JONES

FOUNDER
LIONS CLUBS INTERNATIONAL

Melvin Jones was born on 13 January 1879 in Fort Thomas, Arizona, the son of a United States Army captain who commanded a troop of scouts. Later, his father was transferred and the family moved east.

As a young man, Melvin Jones made his home in Chicago, Illinois, became associated with an insurance firm and in 1913 formed his own agency.

Melvin Jones became a guiding principle for public-spirited people the world over. He died on 1 June 1961 at 82 years of age.

LIONS - LIBERTY, INTELLIGENCES, OUR NATIONS SAFETY LIONS CLUBS INTERNATIONAL HISTORY

It all began as a dream of a Chicago businessman named Melvin Jones in the beginning of 20th century. Mr Jones had a great vision of local business clubs expanding their horizons from pure professional concerns to the betterment of not only their communities, but beyond.

He soon joined the Business Circle, a businessmen's luncheon group and was shortly elected secretary. This group was one of many at that time devoted solely to promoting the financial interests of their membership. Melvin Jones, however, had other plans. "What if these men," he asked, "who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's clubs met in Chicago to lay the groundwork for such an organisation. An organisational meeting took place on 7 June 1917 in Chicago, Illinois, USA. "Association of Lions Clubs" then came into being.

A national convention was then held in Dallas, Texas, USA later in October of the same year. The constitution, by-laws, objects and code of ethics were established and approved during this meeting. Among the objects adopted in those forming years was one which read, "No club shall hold out the financial betterment of its members as its object". Such call for unselfish service to others remains one of the association's main tenets to date.

Melvin Jones eventually abandoned his insurance agency to devote himself full time to Lions and under his dynamic leadership; Lions Clubs earned the prestige necessary to attract civic-minded members.

One of his greatest honours was in 1945 when he represented Lions Clubs International as a consultant in San Francisco, California, at the organisation of the United Nations. Till today, Lions Clubs continues to hold consultative status with the United Nations.

In 1920, just three years after its formation, the association turned international when the first Canadian club was established. Major expansion, both nationally and internationally continued, particularly throughout Europe, Asia and Africa during the 1950's and 1960's.

HELEN KELLER

Helen Keller was born on 27 June 1880 in Tuscumbia, Alabama, USA. As a child, she developed a fever at 18 months of age, thereafter she became blind, deaf and mute.

At age 6, her teacher Anne Mansfield Sullivan taught Keller sign language & Braille. At age 10, Keller learned to speak. In 1898, Helen entered the Cambridge College and earned a Bachelor of Arts degree cum laude in 1904. In 1915, Keller joined the first Board of Directors of the Permanent blind Relief War Fund (later known as the American Braille Press). In 1924, the young woman started the Helen Keller Endowment fund as well as joining the staff of the American Foundation for the blind as a counselor on national and international relations.

Keller died on 1 June 1968 at age 87.

LIONS - LIBERTY, INTELLIGENCES, OUR NATIONS SAFETY LIONS CLUBS INTERNATIONAL HISTORY

On 30 June 1925, Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA. She challenged Lions to become “knights of the blind in this crusade against darkness”. She said, “I am your opportunity. I am knocking at your door.”

Her request to the Lions inspired Lions Clubs International to adopt the Sight Conservation and Work with the Blind Programme as a major service initiative.

In addition to sight programmes, Lions Clubs International is also committed to providing services for youth, improving the environment, building homes for the disabled, supporting diabetes education, conducting hearing programmes and providing disaster relief around the world through their foundation.

With the guiding principles enshrined in our Lions Purposes and Code of Ethics, Lionism has become a daily bread for over 1.3 million people throughout the whole world adding more life into their years and more years into their life.

Lionism calls for every Lion to bring out the best in him/her and promotes personal growth through “Service Above Self” based on 3 CORE VALUES. The core values are:

1) BE A BETTER PERSON

2) BUILD A BETTER COMMUNITY

3) BE A CITIZEN OF THE WORLD

Late Eng Ah Koon

The Lions Club of Singapore East was chartered on 9 January 1961. We are the second oldest club in Singapore. Over the 63 years of our existence, the club has sponsored 16 Lions Clubs in Singapore and Malaysia, the Lioness Club, and the Leo Club of Temasek Junior College. We have also twinned with 12 Lions Clubs in the Asia Pacific Region, the most recent being the Lions Club of Pattaya. We continue to have good relations with our sister clubs and sponsored clubs.

We have produced five District Governors and two District Council Chairmen. The late Lion Eng Ah Koon and the late Lion Peter Fu served as International Directors during the periods 1978/80 and 1997/1999 respectively, making LCS East the only club with this distinction.

Being one of the pioneers of Lionism in Singapore, the club has a strong history and tradition in the conduct of club activities. We played a vital role in the expansion of lions activities in Singapore, namely the inception of Lions Home For The Elders and continuing to serve the needy and the disadvantaged.

We regularly participate in the annual Yellow Ribbon project, Sight First Campaign, Flag Day and other service projects that are organised by the district and by other Lions clubs. We donate funds to the Lions Club Community Service Foundation, Lions Home For The Elders, Lions Befrienders Service Association and our sponsored club, the Leo Club of Temasek Junior College, under the guidance of our club, is a major contributor to the Lions Home For The Elders.

Lions Club of Singapore (LCS) North was the fifth club to be chartered in Singapore. It was chartered on 8 October 1930 by Charter President, the late Kenneth A Middleton from Australia.

LCS North has a remarkable trail of innovative community service projects and activities in the early days such as members' wives organising Food and Funfair to raise funds for their Club Project fund and leading the Ladies' Committee to organise annual events for the next few years.

LIONS CLUB OF SINGAPORE KATONG

Club Charter Date:
17 January 1980

Charter President:
Johan C A Ching

LCS Katong, chartered on 17 January 1980, was the 9th Lions club formed in Singapore. The Charter Ceremony cum Dinner was held on 23 February 1980 at the Mandarin Hotel, Orchard. The auspicious moment was officiated by our Honorary Lion, Ex-Prime Minister of Singapore, Mr Goh Chok Tong, who was then the Minister for Trade and Industry.

Sponsored by LCS East, the Club grew from strength to strength and the members' harmonious nature, strong bonds with one another and camaraderie became its signature, recognised by all Lions within the circle. Many of our members have been with the Club for more than a quarter of a century, which includes two Charter/Life Members.

Since our charter, LCS Katong has never ceased to play an influential role within the District. In addition to being actively involved in supporting numerous activities and fundraising projects of the District, the Club has our own club activities/projects and one project worthy of mention is the Katong Lions' Education Bursary Fund.

KLEB Fund was initiated in the final quarter of 1999 to continue with the purpose of the 'Thaikasing' fund (大家兴) that was started in late 1984 and jointly held by three twinned Lions clubs from Thailand, Hong Kong and Singapore.

KLEB Fund's primary aim is to disburse bursaries annually to deserving needy students ranging from Primary to Tertiary levels. Over the last 25 years, the Club has supported and inspired more than 450 students in Singapore.

Our Club has been consistently recognised for our outstanding performance and leadership. Over the years, the Club has produced three Past Officers of Association (POAs) and many members have held various significant or high offices in the District and Multiple District. The Club has helped to promote Lionism via her productive activities with the sponsoring of local clubs like: Katong Mandarin, Vanda, Paterson, Siglap, Lavender, Premier, Katong Vision and Galaxy.

The Club modestly celebrated our 44th anniversary in January this year. A much larger and more elaborate celebration is planned for the 45th Anniversary on 18 January 2025. The Club's illustrious history, rich heritage, fine tradition and strong fellowship are invaluable assets that would continue to help the Club to stay relevant in serving the needs of the community and upholding the Lions motto: "We Serve".

Club Charter Date:
15 June 1981

Charter President:
Dr Koh Lam Son

Lions Club of Singapore Raffles City (LCSRC), chartered on 15 June 1981 under the leadership of Charter President Dr Koh Lam Son was sponsored by Lions Club of Singapore East.

Notably, Lion Philip Chua served as District Governor for FY 2000/2001, exemplifying our leadership and dedication.

As we embrace the future, we are excited to welcome back our Charter President, Dr Koh Lam Son, to spearhead LCSRC's new mission in 2023. Our vision is to be the foremost support for youth experiencing mental hardship and for mothers facing similar mental stress challenges. Service Project in Johor Bahru before President's Golf Challenge Cup

Lions Club of Singapore Seletar was formed in 1983 by a group of service-minded golfers from Seletar Country Club and through the sponsorship of the Lions Club of Singapore Central. The main objective of the Club is to provide some assistance to the less privileged members of our society.

In 1984, the Club pioneered the concept of fund-raising through golf tournaments to support the Lions Home For The Elders and other charitable projects.

In 1987, the Club joined two other Lions Clubs that started the Singapore Lions Clubs Food Collection and Distribution Project (Ang Mo Kio Market Project) to collect rice, vegetables, fruits and other foodstuffs donated by the market and neighbourhood stall holders and distribute them to four homes for the needy. Today, this weekly project has grown to include two collection centres, namely Ang Mo Kio 226D Market and Pasir Panjang Wholesale Centre, 11 participating Lions clubs and benefiting 14 welfare organisations. This project has been the longest ongoing project in the history of Singapore Lions Movement.

Besides these two main projects, the Club also contributes and supports various welfare organisations like Lions Home For The Elders, Lions Befrienders Service Association, Love Foundation - Home for the Handicapped Children (Johor Bahru), and Long Hua Home for the Elders (Johor Bahru) among others.

Today, the Club has 32 all-male members from all walks of life.

Established on the foundation of service and community spirit, the Lions Club of Singapore Bedok stands as a testament to the enduring values of compassion and fellowship. Sponsored by LCS Jurong, our club was officially chartered on 6 February 1987, with a cohort of 30 passionate individuals dedicated to making a difference in their community. Since its inception, the Lions Club of Singapore Bedok has exemplified the Lions' motto, "We Serve," through its unwavering commitment to various charitable endeavours and community projects.

As of 10 March 2024, the club proudly boasts the continued involvement of five esteemed charter members: PDG Leslie Yong BBM(L), Tang Tuck Kim PBM, Chew Sion Huat BBM, Rohan Kamis, and Lee Koon Meng. Their enduring dedication reflects the deep-rooted commitment and sense of purpose that defines the Lions Club of Singapore Bedok.

What began as a modest gathering of like-minded individuals has flourished into a thriving organisation, currently comprising an impressive membership of 287 individuals. Remarkably, LCS Bedok has earned the distinction of being the largest Lions Club in Singapore for several consecutive years.

Beyond its local endeavours, LCS Bedok has played a pivotal role in nurturing the growth and development of Lions in Singapore by sponsoring the following clubs: LCS Emerald, LCS Bukit Merah, LCS Centennial, LCS Cheng Hua, LCS Optimus, and LCS Zenith. Through these partnerships, the club has extended its reach and multiplied its efforts to serve those in need.

LCS Stamford was chartered on 17 December 1987 with Lion Colin Miles as our Charter President. Our club currently has 20 members, led by President Wang Qizhi and IPP Ng Kok Hai.

Since its inception, our club has been focused on service to seniors affiliated with the Lions Home For The Elders and the Lions Befrienders (LB), and also to seniors in several areas not covered by these Lions Entities.

When the Lions Befrienders Association was established in 1995, LCS Stamford was one of the three founding clubs. Our club member Richard Koong subsequently served as Chairman of the LB Management Board for two terms from 2010 to 2014. Other club members currently serve on the Management Committees of the LB Active Ageing Centres in Ang Mo Kio, Bendemeer and Tampines. Region Chairperson Chris Chan organises regular free haircuts, hotmeals or tea and karaoke at these Centres, while Lion Richard Ang and other sponsors distribute Hong Baos and oranges during Chinese New Year.

District Chairperson Loh Yan Poh leads the 20 Lions Interest Groups in fostering fellowship among Lions and performing karaoke and dancing during festive seasons at the Lions Entities.

We have close relationships with two overseas twin clubs - Lions Club of Kuala Lumpur South, Malaysia (since 1993) and Lions Club of Jakarta Mitra Anyelir, Jakarta, Indonesia (2018).

LB Nagomi Art Activity

Two events paved the way for the charter of Lions Club of Singapore Sentosa on 21 December 1987. First, at the 1987 International Convention in Taipei, women were, for the first time, invited to join the all-male Lions Clubs. Secondly the Leos of Singapore Central were reaching the age limit of 28 years. One third of Sentosa's membership comprised ex-Leos from the Leo Club of Singapore Central and Lion Ying Wai Lin enjoyed the distinction of being the first woman Charter President in the District (then 308A).

Our members comprise business owners and working professionals from the legal, medical, IT and finance fields.

The Club organises regular monthly art and craft activities at Lions Befrienders AAC @Tampines 434. We also sponsor the Horticultural Therapy Project for dementia residents at Lions Home For The Elders (Bishan). We have also reached out to other segments in the community that require assistance such as the intellectually disabled and recently we embarked on a project which provided assistance to a needy mother with two young children.

Despite the Covid-19 restrictions, we carried out beach-cleaning in small groups. Some events such as the Lions Heart Charity Art Exhibition, 4th Edition were carried out in collaboration with other Lions Clubs to raise funds for Lions Home. Our club also undertook the joint sponsorship of Eye Screening, Chinese New Year Dinners and Mid-Autumn Festival Celebration for Seniors.

The club's membership has been steady with our member ranks ranging from the mid 20s to 30. We remain resolute; committed to raising funds to serve our community both locally and overseas together with our twin clubs in Sabah/KK Downtown; Keningau, Sarawak/Kuching Downtown and Thailand/Songkhla.

To date our Charter President Lawrence Hair and spouse PP Soh May Ling continue to actively serve our seniors joyfully from the heart. We sponsored LCS Neesoon Mandarin (6 March 1992); LCS Marine Parade (11 May 2011).

Our key projects are monthly dry goods donation to 130 seniors at North Bridge Road as well as hot meals for 200 persons. We also conduct a weekly collection of fresh foods, vegetables and other items for two needy charity homes from the generous stall owners at Chong Pang Market.

Other initiatives include CNY and Mid Autumn Hong Bao for the seniors at North Bridge Road and thank you CNY Hong Bao to our Chong Pang stall owners. Besides joint collaboration with local clubs, we also engage in service projects with our twin clubs in Sabah, Sarawak and Thailand.

LIONS CLUB OF SINGAPORE LADYHILL

Charter President:
Carmen Jansen

December 2023 – Christmas Dinner & Lights

LCS Ladyhill was chartered on 15 February 1988 under the sponsorship of LCS West, with Lion Carmen Jansen serving as the Charter President. Operating as an all-ladies Club with a current membership of 30, our guiding principle revolves around the motto “To Serve with Heart”, which inspires and guides all our endeavours.

Our flagship initiative is our annual Christmas Dinner & Lights for seniors from various LB AACs. This cherished event has thrived for ten years, garnering unwavering support from the seniors. After a temporary suspension spanning two years due to the pandemic in 2020 and 2021, it was resumed in 2022. What began with an invitations list of 70 seniors has grown to 120 seniors in December 2023. In addition to members serving a scrumptious dinner, the well-planned programme includes musical performances, familiar songs, and a delightful joy ride round Orchard Road to enjoy the festive lights and beautifully decorated scenery.

Apart from our flagship project, we are actively engaged in several ongoing service projects including:

- providing monthly hot meal services for seniors in Lions Befrienders Ang Mo Kio and Clementi AACs
- supporting youth development through monthly fruit deliveries
- organising field trips and activities for girls from Ahuva Good Shepherd. We have recently partnered with =Dreams to facilitate talent and interest development activities for resident students
- arranging annual visits to Lions Home For The Elders Bishan and Bedok with lunch tailored to the residents, along with an opera performance and items by kindergarten children
- assisting in eye vision projects organised by Lions SaveSight Centre and Singapore National Eye Centre and by LCS Centennial
- participating in International and District Projects

LIONS CLUB OF SINGAPORE FORT CANNING

Club Charter Date:

Our 35th Anniversary celebration together with members of sister clubs Georgetown Mutiara and Petaling Jaya Metro

Our club was formed with a strong heritage as most of our charter members were from the Leo Club of Singapore City, one of the Top Leo Clubs in the world in 1981. We have members who have been active in Lionism since 1973.

Recognising our potential, the Lions Club of Singapore (Host) proposed we convert our Leo Club to a Lions Club. The name Fort Canning resonates with charter members as they held Leo meetings at the parish hall of a church right opposite Fort Canning Hill.

Our Projects :

- AWWA Senior Community Home – monthly hot-meal lunch service for the past 33 years
- Lions Home For The Elders and Lions Befrienders – we support and participate in projects and activities for both
- Lions SaveSight Centre (Singapore) – for the prevention of blindness, founded by LCS Fort Canning together with LCS Host, LCS City and LCS Metropolitan.
- Lions Art Fest – first initiated in 2015, with paintings contributed by a few accomplished Lions in the district, established local artists and differently-endowed persons. The net sale proceeds are donated to Lions Home For The Elders.
- Mid-Autumn Festival and CNY “Loh Hei” Celebration – always very well attended by elderly from AWWA and LBSA.
- Annual Multi-Generational Outing, spearheaded by LCS Fort Canning with the support of several Lions Clubs in the district. We organise outings to museums, parks and local attractions such as Bird Paradise and Sungei Buloh Nature Park for the elderly from Lions Befrienders, AWWA Senior Community Home and children from low-income families.

At the District's 60th Anniversary Carnival, we received a Certificate from Singapore Book of Records for the largest display of 260 hand painted lion figurines

Our team from New Central

Service projects with our seniors became restricted during the Covid period, and this prompted us to embark on a new project to support KidsRead, a group of Financially Assisted Students aged seven to eight years, at Qifa Primary School.

Through 2022 - 2023, New Central presented them with vouchers for new shoes and books as encouragement rewarding them for achieving academic progress. We also worked closely with school volunteers to organise educational workshops and treats for Children's Day.

Our commitment to excellence is a testament to the strength and unity of our club, New Central, as we work together towards greater projects in serving the community!

LCS Vanda Members during D308-A1 joint installation ceremony FY22

The Lions Club of Singapore Vanda, an all-female membership club chartered on 11 November 1988 by Lucia Lim, aims to serve the underprivileged.

In 36 years, we have become one of District 309's most active and awarded clubs, known for fundraising and involvement in district projects. Some of our notable milestones include the club's 30th anniversary Hat Party, two wings named after Vanda in Lions Home For The Elders Bishan for our continuous support, as well as building a primary school in Singkawan, Pontianak, Indonesia. Despite losses, including cherished members Susan Leong, Grace Lau, and Wendy Lim, we remain a close-knit community.

Dedicated to service, we acknowledge generous donors and celebrate milestones like 'Rock N Roll' 34th anniversary Fundraising Night. With an increase in young members, LCS Vanda anticipates further growth and impact in education, eldercare, and community welfare. Confident in its 37-member strength, LCS Vanda looks forward to continued vibrancy and contribution to the Lions Movement in District 309.

Charter President:
Charlie Chan

Lions Club of Singapore Changi was chartered by Past International Director Charlie Chan formally from Lions Club of Singapore West.

Its charter members were mainly musicians from a band that had performed at many Lions Clubs events.

Most of the club's projects are community services such as providing monthly donations of food and staple items to low-income residents and the needy elderly in the neighbourhood and annual events such as visiting homes for the destitute, serving them special lunches and entertainment during Chinese New Year.

Currently, our monthly projects are supplying eggs and food items to Lions Home For The Elders at Bedok and playing games with the residents during our visits there.

In collaboration with Development Bank of Singapore, we carry out similar projects for Lions Befrienders Bendemeer Active Ageing Centre.

Joint project with LCS Island in Medan, 2019

The Lions Club of Singapore Serangoon Gardens has always been active in serving the elderly as well as children with intellectual disability.

In 1994, together with LCS North and LCS Stamford, our Club accepted the invitation of NCSS to take over the running of its programme to befriend seniors. This programme was later renamed Lions Befrienders (LB). Our Club has consistently supported the growth of LB over the years. Our members have served on the management board of LB as well as at its various Active Ageing Centres (AAC). At the time of writing, our member, Teo Cheng Peow, is the President of Ang Mo Kio AAC. Our Club members have performed service as befrienders to lonely seniors living in Ang Mo Kio. We also participated in outings and sponsored meals for the elderly.

Our Club supports the Association for Persons with Special Needs (APSN). Every year, we sponsor APSN students for the Lions Peace Poster Contests to prove that special needs children can compete with mainstream students and win prizes.

Our members also help APSN to reach out to its alumni through telephone contact and home visits. The aim is to encourage those staying at home to sign up for job training.

Our members are also active in District Lions training and leadership roles under various District Governors.

LIONS CLUB OF SINGAPORE ORIENTAL

Club Charter Date:
9 March 1989

Charter President:
Hua Chen

Lions Club of Singapore (LCS) Oriental stands as a beacon of compassion and service, tracing its roots back to 9 March 1989. Since 1989, we have grown from an estimated 20 to 54 members.

With strong leadership and guidance from the 15th President Dato Cheng Mei Man, LCS Oriental sponsored the charter of LCS Ji Yang 2003 locally. LCS Oriental expanded its reach overseas through twinning clubs with Lions Club of Taipei Jing Hua, Lions Club of Taipei Chung-Ai and Lions Club of Indonesia Bandung Merdeka.

One of the hallmark activities of LCS Oriental is the monthly hot meal distribution programme sponsored by Past President Dato Cheng Mei Man to 100 seniors at Telok Blangah Crescent for the past 30 years. Another initiative is the weekly Ang Mo Kio vegetables and groceries collection and distribution to the various homes.

Fundraising has been a cornerstone of LCS Oriental's efforts, enabling them to support various causes that enhance the quality of life for many. The main beneficiaries are Lions Home For The Elders, Public Free Clinic Society and Lions Prostheses Centre Singapore.

Other notable projects include: the Recycling project spearheaded by our club; it is a testament to our commitment to environmental sustainability; blood donation drives, encouraging people to donate blood and be part of a lifesaving mission.

LIONS CLUB OF SINGAPORE SHANGRI-LA

Club Charter Date:
16 July 1989

Charter President:
Handy M Lawrence

It is our club's honour to celebrate our 35th Anniversary together with our District's 65th Anniversary in 2024.

For the last five years, our club activities had been severely constrained by the Covid-19 pandemic of 2020 to 2023. Undaunted by the pandemic, we pressed on with our club's signature project of providing tau huey and tau kwa to Bedok Lions Home Residents.

We lost our "last man standing" Past Council Chairman Lion P T Wong, Chartered Member, on April 10, 2022. As PCC Wong was the only Singapore LCI-awarded Serving Lion of 50 years, our club strove to commemorate his legacy by dedicating a ward at Bedok Lions Home, in his memory, together with his family. PCC Wong was the Bedok Lions Home Chairman from 1987 to 1988.

We continued our signature activities during the Covid-19 pandemic by scaling down visits to the Bedok Lions Home. Instead we arranged for the tau huey to be sent to Bedok Home. Our visits resumed in February 2023. We also restarted the MINDS Bowling Event in October 2023.

Our greatest pleasure was to work with other clubs to organise a tour of the newly-opened Bird Paradise for the Elderly and School Children in November 2023. Within the Lions Home, we launched a photo shoot service for residents in February 2024 to enable them to realise their fondest wish of visiting their dream foreign destination through a beautifully shot and composed photo.

LIONS CLUB OF SINGAPORE

TANAH MERAH

Club Charter Date:
12 July 1990

Charter President:
Christina Lim

Chartered on 12 July 1990, the initial projects embarked upon by our Club are still ongoing. The monthly hot meals (now tea sessions) at the St Joseph's Home and Hospice initiated 30 years ago are still held every first Saturday of each month. The Food Distribution at North Bridge Road on the first Wednesday of each month, jointly conducted with LCS Neesoon, is still ongoing, a commitment spanning 15 years.

LCS Tanah Merah has organised various community projects – singly or jointly. One of the notable initiatives is the Yellow Ribbon Run/Walk, a fundraising exercise helmed by PDG Lesa Gan for the past 12 years.

LCS Tanah Merah has participated in the Bukit Batok 3600 Seniors CNY project since 2017. As part of the effort to be environmentally responsible, we have worked with other organisations to run annual or bi-annual recycling projects involving the collection of old clothes for the last six years.

We support the various Lions programmes. The Club was the recipient of the HK Lau award from the Lions Home For The Elders in 2023. This is a first for the Club. Members raised more than S\$50,000 for the Lions Home.

PDG Steven Seah, the Club's first elected District Governor in 2010, is currently Chairman of the Lions Home. Lion Prem Khatani also serves in the Home and Lion BC Leong serves in the Lions Befrienders and Lions SaveSight Centre. PDG Lesa Gan made the Club proud to be elected as the District Governor in 2011.

METROPOLITAN

Club Charter Date:
27 September 1990

Charter President:
S G Chin

LCS Metropolitan was chartered on 7 September 1990 with 28 members led by Charter President Past Council Chairman SG Chin. From the outset, our club nurtured the two defining traits of teamwork and fellowship with the aim of helping the needy and less fortunate within our community.

Notable major projects organised by our club in the past include golf tournament fundraising events for entities such as Lions Home, NKF, Cancer Society, Dyslexia Association of Singapore and others. We also worked on joint projects with the Dentists Association of Indonesia to provide oral and dental care to over 400 school children in Bogor.

In Singapore we carried out a festive shopping project for needy school children as well as a fundraising cycling project with Malaysia's 308-A2 Lions, which was conducted at the national level and documented in the Singapore Book of Records.

The most significant initiative for our club in the last two years was the One Million Eggs project organised by Lion Zen Sim and team. The project involved the distribution of eggs, a vital source of nutrition, to various nursing and old folks homes in Singapore. This years' District 309 Chinese New Year celebration Fellowship Dinner and Entertainment was organised by Lion Zen Sim and team.

Our club will continue to support Lions Home For The Elders, Lions Befrienders and Lions SaveSight Centre projects and activities.

Charter President:
John Tan Ah Muay

Member Dan Tinsley from UK – Fund Raising Walk for Lions Protheses Centre

Lions Club of Singapore Clarke Quay has been active in many service projects, locally and overseas, throughout our 29 years since 1995.

During Covid, together with 72 other clubs, we organised a bake-in service project and were awarded a Certificate by the Singapore Book of Records for the largest distribution of home-baked Cookies for Charity.

At present, one of our signature projects is the Vegetable Charity Drive. This is a joint Lions club project to collect and pack vegetables and fruits contributed by vendors in the Pasir Panjang Wholesale Centre. These are then distributed to the two Lions Homes in Bishan and Bedok and to many other homes around Singapore. The Hair & Nails project was organised for the seniors living in Bukit Merah area to provide these essential services and to have meaningful interactions with them.

The Club has also organised two Round Singapore Island Walks in 2021 and 2023 to raise funds for Lions Protheses Centre. The 2023 walk was initiated and accomplished by our club member Dan Tinsley. With the support of other Lions clubs, we raised a total of \$92,999. We have also taken part in a number of overseas service projects to help fundraise for the needy in Cambodia, Vietnam, Indonesia, the Philippines and Malaysia.

Lions Club of Singapore (LCS) Eunos is proud to have journeyed with the Lions for the past 27 years. From humble beginnings, LCS Eunos has grown from strength to strength, giving back to the community, contributing to the Lions Clubs of Singapore, and forging ties overseas.

LCS Eunos received its charter on 6 December 1996, sponsored by Lions Club of Singapore North. Under the leadership of then-Charter President Anthony Tay and grassroots leaders in Eunos, the club strove to realise the Lions Club motto — We Serve — by bringing like-minded individuals together.

Our arts and crafts activities spark creativity and promote emotional well-being.

LCS Eunos is a steadfast supporter of various Lions organisations, including the Lions SaveSight Centre, Lions Befrienders Service Association, and the Lions Home For The Elders. On 25 June 2023, Lions Club of Singapore (LCS) Nassim completed an eventful lunch project for the Seniors from Lions Befrienders. The project started at 11 am with a briefing for LCS Nassim members and volunteers at Happy Joy Restaurant at Hotel Royal.

We are glad to have invited District Governor Ho Sum Kwong and International Director Jeff Huang to grace the event. There were 200 seniors from various Lions Befrienders centres served on that day:

- 32 Bendemeer Road (40 pax)

- 150 Mei Ling Street (60 pax)
- 434C Tampines Avenue 9 (20 pax)
- 499C Tampines Avenue 9 (40 pax)

LCS Nassim also managed to engage an entertainment team consisting of eight individuals, all of whom have a disability each, to perform during the project. Aside from the entertainment, LCS Nassim also gifted vouchers and Hong Baos to the seniors, via a Bingo Game.

Overall, this project's essence went well beyond the lunch; it was conceived as an avenue for seniors to come out and to mingle and be befriended by our Lions and volunteers.

LIONS CLUB OF SINGAPORE SIGLAP

Club Charter Date:
24 October 2002

Charter President:
Patrick Ang Kian Hong

Lions Club of Singapore Siglap (LCS Siglap) was chartered on 24 October 2002 with Lions Club of Singapore Katong as its Sponsor Club. The club's main objective then under its Charter President, the late Lion Robert Ang Kian Hong, is to serve the elderly seniors in the community of Singapore.

In its earlier days, LCS Siglap through its annual charity golf tournaments and joint club projects had raised much needed funds for the Lions Home For The Elders (LHE). The club members also supported the annual Chinese New Year Lunches organised by the Siglap Citizens Consultative Committee for elderly seniors.

Since 2007, the club members and its volunteers had carried out community projects providing free haircuts to children under the care of Moral Family Centre, participated in the Flag Days of Lions Befrienders Service Association and Lions Home For The Elders, and taken part in other Lions club service projects on the five global causes supported by Lions Clubs International.

Several members of LCS Siglap had served as cabinet officers. Currently, Lion Bellirene Ang serves as the Zone 17 Chairperson in the first cabinet of District 309.

One of its charter members, Lion Jerrick Tay went on to become elected as the District Governor FY 2017-2018, of which the theme was "Share Our Dreams". Past District Governor Jerrick Tay has been an important guiding force of his club, LCS Siglap, in its service endeavours. At District level, he is one of the Advisors to the District 309 Cabinet FY 2023-2024.

20th Anniversary celebration

Lions Club of Singapore Ji Yang was chartered on 23 February 2004. It is the only Lions Club in Singapore and globally with members that bear the surnames of Xin, Ke and Cai (只招收辛柯蔡三姓宗亲为会员).

On 13 November 2023, Lions Club of Singapore Ji Yang held its 20th Anniversary Celebration. The celebration was lively and entertaining with good food, a sumptuous eight-course dinner and getai performance by renowned local singers.

The Guest of Honour Senior Parliamentary Secretary Eric Chua was so pleased that he went on stage to sing an evergreen song dedicated to our Lions Club for its inspiring service to the community over the last 20 years.

On-going Projects:

1. LCS Ji Yang Education Fund — since May 2013, the education fund helps students from low-income families to pursue their dream and make a positive impact on their lives. Each year, during the Changkat Changi Secondary School Annual Speech and Prize Giving Day, ten awards are given out to ten graduating students, who also received financial assistance from the school. To date a total of 95 students receive bursaries of between \$300.00 and \$500.00 through LCS Ji Yang Education fund.
2. Every second Wednesday of the month, members distribute 140 packets of lunch to seniors staying at AWWA Senior Community Home at Block 123 Ang Mo Kio Avenue 6.
3. On Mother's Day 2023, LCS Ji Yang brought cheer to residents of AWWA Senior Community Home and Kwong Wai Shiu Hospital by distributing flowers and tissue boxes to them.

Club Charter Date:
18 May 2011

Charter President:
Melissa Chua

Lions Club of Singapore (LCS) Marine Parade was chartered on 18 May 2011 by PDG Anthony Tay and 36 members. It was then the 69th club to be chartered. Now 13 years later, its membership has increased to 47 with most of its Charter members still serving, as the spirit of camaraderie has always been strong. Several of its members had served as cabinet officers in the past District 308-A1 Cabinets with some serving more than twice.

When District 308-A1 became an Independent District 309 in July 2023, one of its members, Lion Yeo Siew Yam, became its first District Governor for Fiscal Year 2023-2024. The following members, Past District Governor (PDG) Anthony Tay, Past President (PP) Melvin Liu and PP Russell Kwan served as Honorary Committee Chairman, Cabinet Secretary and Region 1 Chairperson respectively in her cabinet.

Since its inception, LCS Marine Parade has adhered strongly to the motto of “WE SERVE”, actively serving the underprivileged in our society and supporting the causes of Lions Clubs International namely:

- Hunger - Food Banks at Ang Mo Kio Project, a joint project with ten Lions clubs and other Voluntary Welfare Organisations (VWO)s to distribute food/sundry rations to needy beneficiaries every Friday of the month. Providing needy elderly seniors residing in Chai Chee who are under Public Welfare with monthly haircuts by professional hairdressers, breakfasts and entertainment, this being its Signature Project of 13 years.
- Environment - Working with Singapore and overseas Lions Clubs (Malaysia/Thailand) on Tree Planting Projects, Beach Clean-ups and Recycling Projects.
- Vision - Joint clubs projects on eye-screening for needy families and seniors. Supporting Lions SaveSight Centre's activities e.g. Lions World Sight Day.

Working with intellectually and/or physically challenged Youths on projects e.g. Special Olympics of Singapore/ Multi-generation projects. Supporting the activities of Lions Entities e.g. Lions Befrienders and Lions Home For The Elders Flag Days.

With the aim to serve across borders and promote fellowship, twinning was done with the Sister Clubs in Indonesia (Lions Club Surabaya SriKandi), Ipoh, Malaysia (Lions Club Ipoh Mandarin) and China (Lions Club Guangzhou Lingnan). Under the governorship of District Governor Yeo Siew Yam with the assistance of PDG Anthony Tay, LCS Marine Parade sponsored four new clubs - LCS Hakuna Matata, LCS Majestic, LCS Medallions and LCS JW between July 2023 and April 2024.

Members of LCS Marine Parade are proud of being Lions providing solace and help to the less fortunate. And as Lions, to assume leadership in our community to make a difference and to realise the motto: - **LIONS SERVE, CHANGING THE WORLD.**

Yesterday's the past, tomorrow's the future, but today is a gift. That is why it is called the present.

LCS Enterprise first chartered the club with members comprising only business owners. We believe that business owners may contribute more in terms of money, resources, and network to better support the charity projects.

Reflecting on past established programmes, such as the 5 Cents Project, 10 Cents Project, Movie Charity Project, Can Tag Project, Car Washing Project, The Pearl Project, and many overseas and local combined projects, we received full support from our families, relatives and business associates, which gave us more confidence to better service the public.

We are blessed with a good set of capable and dedicated members who give the club unwavering support. We will continue to grow the organisation and provide assistance for more needy people. We will continue to serve.

LIONS CLUB OF SINGAPORE LAVENDER

Club Charter Date:
24 April 2014

Charter President:
Kang Choon Tong

The Lions Club of Singapore Lavender was chartered in April 2014, under the auspices of our sponsor club, the Lions Club of Singapore Katong. We were fortunate to be guided by the late Past Council Chairperson Tommy Choo and the late Past District Governor Tan Kiang Hoo, whose vision and dedication laid a strong foundation for our activities and initiatives. Under the astute guidance of Past District Governor Singa Retnam, our club has not only sustained but also expanded its influence and outreach in the service of both our local community and international beneficiaries.

Over the years, the Lions Club of Singapore Lavender has actively engaged in a variety of projects that underscore our commitment to the core purposes of Lions Clubs International. Our efforts have been particularly focused on supporting education and youth, which are critical areas where we can make a significant difference. For instance, we have made impactful contributions such as establishing a pre-school children's corner in Sri Lanka, which provides a safe and engaging space for early learning. Additionally, we have contributed to the construction of a primary school in Siem Reap, Cambodia, helping to furnish young minds with the knowledge and tools necessary for a brighter future.

Locally, our club has also participated in many other community welfare projects that directly benefit Singaporeans. These activities not only address immediate needs but also foster a spirit of community and volunteerism among our members and the broader public.

As we continue to grow and evolve, the Lions Club of Singapore Lavender remains dedicated to expanding our impact through service and leadership. We are committed to upholding the legacy of our founders and mentors by continuing to serve with the same zeal and fervour that has been our hallmark since our inception.

正华狮子会于2015年3月6日申请并呈报LCI成立。创会会长冉巧玲狮姐筹办了正华狮子会的一周年庆典，该庆典于2016年3月4日举行，筹得的善款全数捐给了三个慈善机构。

正华狮子会自创会至今已有近十年历史。目前尚有18位男女会员，今年还增加了几位新的生力军会员，他们将加入正华狮子会这个大家庭，继续为社会服务，贡献绵薄之力。

正华狮子会的会长任期为两年。尽管会员有进有出，但大家都投其所好，成立新会或转入其他会也是件好事。整个世界狮子会就像一个大家庭，不分彼此，仁义天下，慈善为本。

正华狮子会名下有两个子会：LCS ICON 3K 和 LCS GLOBAL GINSENG。近十年来，我们经历了许多学习和尝试，举办了各种慈善活动。正华狮子会还在2022年11月19日筹办了一场备受好评的歌舞慈善晚宴。

正华狮子会每两个月左右会和几个友好会联合举办“新旧物募捐”活动，即Recyclables Collection (Joint Lions Clubs Recycling Fundraising Project 2023/2024)。

狮子会本是一个志愿团体，以服务为本，把有缘的人聚集在一起，努力回馈社会；这也正是正华狮子会配合LCI“我们服务”宗旨的体现。

LIONS CLUB OF SINGAPORE OXLEY

Club Charter Date:
22 June 2017

Charter President:
Valery Chen

The Lions Club of Singapore Oxley was officially chartered on 22 June 2017, with a clear vision and mission to serve the local community in meaningful ways. From its inception, the club set out to address two primary objectives: to support needy communities and to assist local hawkers in the food business.

One of the club's earliest initiatives involved purchasing food from various hawker stalls within the community. This food was then distributed to needy seniors who were living alone in rented flats. This dual approach not only provided essential support to those in need but also bolstered the livelihoods of local stallholders.

During the challenging times of the Covid-19 pandemic, the Lions Club of Singapore Oxley ensured that both the vulnerable members of the community and local businesses were supported. By continuing to purchase food from hawkers and delivering it to seniors in need, the club demonstrated unwavering commitment to its mission, even in the face of adversity.

Despite being small in size initially, the Lions Club of Singapore Oxley is poised for growth, particularly in terms of membership. The club is well-positioned to expand its reach and impact in the community, making a positive difference in the lives of even more individuals.

As the club looks towards the future, its history serves as a testament to the power of community-driven initiatives and the profound impact that a committed group of individuals can have on their surroundings.

19 July 2017 - Club Charter Date

Lions Club of Admiralty was chartered on 19 July 2017. We have celebrated our 5th anniversary. The main project we have been involved in is the joint club project at Ang Mo Kio Market projects where we helped to collect vegetables, eggs and some dried goods to be distributed to about ten beneficiaries.

We participated in the Bukit Batok East project to serve about 3600 seniors around that constituency, serving food, and providing free haircuts. In addition, we are involved in many vision-related webinars with the Lions SaveSight Centre and help out with eye-screening projects. We also participated in Lions Befrienders and Lions Home For The Elders projects.

We helped Sembawang GRC in giving out goodie bags to needy residents with some clubs regularly. We helped to plan and conduct activities in a girls' home in our joint projects with other clubs.

We also participated in ad-hoc activities when called upon to help. For example, we took the elderly on river boat rides, participated in several community centre activities for seniors, helped out at River Hongbao, and were involved in the Plant a Million Tree project.

LIONS CLUB OF SINGAPORE PREMIER

5 April 2018

Toh Hui Min

Joint Installation at Resorts World with VIPs

Induction of Charter Members

In early 2018, after gaining some insight into the Lions movement and encouragement by two senior members of LCS Katong, a group of young, successful and civic minded financial professionals made a noble decision to form a Lions Club, hoping to leverage on the structural strength and vast network of the Lions movement with the aim of playing a more active part to help improve the lives of the less fortunate and to create a culture of giving back.

Thus began the birth and journey of LCS Premier. Sponsored by LCS Katong, the proposed charter was endorsed by District Governor Jerrick Tay on 3 March 2018 and subsequently approved by Lions Clubs International on 5 April the same year. Our Club's Charter President Toh Hui Min was installed at the District Joint Installation held on 27 July 2018 at Resorts World Sentosa. Our Charter Ceremony was held on Saturday 14 September 2018 at Suntec Tower 2 with a respectable strength of 23 charter members. The Induction of Charter Members and Installation of the Board of Directors ceremony was conducted by then 2nd Vice District Governor Victor Yip.

The memorable event was of historic significance as it made us the first Lions Club to be chartered under the Specialty Club category in District 308-A1. Inspired by the Lions Clubs International's motto: "We Serve" and supported by Guiding Lions Angie Goh and Dennis Tan, these young cubs are committed to serve and help out whenever there is a need in the community. One of the key objectives of our Club is to provide a platform for the young and talented to assume positions and take on roles that could help hone their leadership skills so that they can go out into the world to do more.

Still in its infancy and learning stage, our Club has visited the Lions Homes and also gained better insight into the activities of the Lions Befrienders programme. In addition, we took part in the Lions Befrienders Flag Day and also embarked on a few small scale projects of our own to help raise funds for our planned projects that would be geared towards a youth educational programme. With proper guidance, youth and enthusiasm on our side, we would, in the near future, prove to be an asset to the Lions movement in the District.

Charter Night in 2019

LCS Kaizen was chartered on 8 April 2019 as a specialty club with 22 members, all of whom are financial advisors who wish to make positive and lasting social impact to the world.

Kaizen 改善 in Japanese philosophy often translates as "change for the better". The idea is to foster a culture of continuous improvement where all club members are encouraged to contribute ideas for constant improvement.

In LCS Kaizen, we come together to support each other on our journey of self-improvement and innovation. During the Covid-19 pandemic when we could not have face-to-face meetings, we supported our District in creative ways through a virtual Zoom CNY Lohei.

Our service projects aim to benefit under-privileged children and women who are in need in the world. In 2023, we jointly organised Swing with Joy Charity Golf & Dinner 2023 with LCS Seletar successfully at Sentosa Golf Club.

Lions Club of Singapore Galaxy was formed by a group of friends, business associates and ex-Lions who share the same passion to serve the less fortunate and the underprivileged in our community. We have a total of four current Lions and three ex-Lions; the rest of members being new Lions who have a desire to be involved in community service but have not found a way to do it.

We finally gathered a group of 25 members. We approached Lions Club of Singapore Katong to sponsor this new Club extension. At the same time, we applied for our Club to be chartered with Lions Clubs International (LCI) on 14 March 2019. The New Club Charter was approved by LCI on 21 March 2019. After the Charter approval, the Club was subsequently registered with the Registry of Societies in Singapore.

Our Signature Mooncake Baking Fundraising Projects support all of our community service projects locally and globally.

In the area of Local Service Projects, we have initiated and participated in numerous projects over the last five years, despite Covid-19 restrictions.

For our Overseas Service Projects, we provide daily essentials to the needy in the orphanages, slum areas and the homeless in Cambodia, Thailand, the Philippines and Vietnam.

Throughout the five years of active service to the community, the Club has successfully carried out numerous projects for community development and welfare services. Our Club earned the support and cooperation from both the private and public sectors. As a result, the Club regularly won numerous top awards, be it at the District or Community level.

We also work with organisations such as Cheng Hong Welfare Service and Sree Narayana Mission (Singapore) to support the growing ageing population in Singapore. Collaborations with the People's Association are also being planned.

We join hands with other clubs in Singapore to make a success of our signature projects. The Ang Mo Kio Market Project is an ongoing project where vegetables and groceries donated from the vendors will be distributed to the beneficiaries. Our club also participated in the Multi Generation Project 2023 involving 80 underprivileged seniors.

In 2022, Our Club participated in the "Journey of Service" along with Lions members from countries such as Malaysia, Indonesia, Japan, the Philippines and Thailand to provide support in Hatyai, Thailand. Our service projects were in areas such as Vision, Hunger and Environment.

Sponsored 200 underprivileged students and families for a joyful morning in a carnival organised by Bukit Panjang Constituency to promote Lionism

In 2020, amidst the COVID-19 pandemic, LCS Forest was formed with members from Lin Chamber of Commerce Singapore, constituting its core. Immediate Past President Jeremy Lim launched the first signature project "One Meal Per Day" in Bukit Panjang, providing daily hot meals by providing vouchers to the beneficiaries who used to buy the food from participating stalls in Koufu and Wufu underneath their block.

Two years later, he initiated the "Never Alone" service project to help low-income seniors staying alone by deploying smart technology and cost-effective solutions to monitor the beneficiaries, and serve as their virtual caregiver to keep them safe.

In LCS Forest, we always seek to stay creative and do things differently but yet meaningfully, never losing sight of our initial cause.

Go Green Day

Since its establishment in 1982, the Leo Club of Temasek Junior College has successfully organised and conducted many projects that cater to the different needs of the community. A signature event is the annual Go Green Day, during which the entire college population collects old clothes and newspapers from the community, advancing environmental sustainability efforts and generating funds for the club's beneficiaries.

Additionally, the Leos engage in customised programmes such as reading sessions, homework clinics and a mentorship programme which not only enhance the academic development but also the holistic growth of primary school students from less privileged backgrounds.

Moreover, the club extends its impact to seniors through activities that promote active ageing. These collective undertakings have earned the Leo Club notable recognition, including the esteemed "Outstanding Partner Award" from the Chinese Development Assistance Council (CDAC) in 2019, alongside consistent accolades from Lions Clubs Singapore, underscoring their steadfast commitment to service and community engagement. Furthermore, participation in the Leo Forum enables members to interact with peers from Malaysia, fostering meaningful connections and broadening their perspectives.

The Leo Club is one of the seven community service clubs at Ngee Ann Polytechnic, and it has been proudly serving the community for 40 years. The Leo Club initially set out to provide assistance to beneficiaries such as children, the elderly, people with special needs, and the underprivileged. Since 2023, the club has narrowed its focus to two main beneficiary groups: the elderly and children so as to better plan events that are most beneficial to them.

Last year's theme was "Reigniting the Passion to Serve," and following that, this year's theme is "Seize Opportunities, Warm Hearts." There are numerous events planned for this year, including inductions and installations, the CCA Fiesta, and various bonding camps. Successful examples of camps organised by the Leo Club include "Leo Inwave," which is the first camp held after Leo members have signed up for the CCA. The main purpose of this camp is to foster bonding among new members through various games and activities.

In June, we have our subcommittee recruitment camp where we onboard new Leo members to support the main committee members. In July, our induction and installation events take place with parent clubs and organisations officially inducting the new board of directors.

This will be followed by bonding camps such as "Leo Fusion", aimed at identifying potential leaders for the main committee. The final event is the handover ceremony where the current board of directors passes the baton on to the following batch.

Other initiatives include "Leo Active," where Leo members can form groups of up to four and plan events. Once they submit their event proposals, project directors vet them and provide assistance in carrying out the events.

The Leo Club also serves as a platform for its members to cultivate empathy towards the community's needs and actively contribute to its betterment. By engaging in meaningful service projects and fostering a spirit of giving back, the Club empowers its members to make a positive impact within the club and in the wider community.

SP Leo Club's focal point is currently on the elderly. In light of Singapore's growing ageing population, the importance of lifelong learning and staying active is further underscored. As such, we aim to optimise our reach and promote active ageing by collaborating with organisations such as Potong Pasir Community Centre (CC), Allkin, Calvary, Hong Lim and St Luke's Hospital.

To tackle the problems that may come naturally with ageing, SP Leo Club encourages seniors to disengage from their sedentary lifestyle and prioritize their mental and physical wellness. SP Leo Club has organised many fun-filled experiences such as batik painting, games that stimulate cognitive function and excursions to historical sites such as Fort Siloso.

With Potong Pasir CC, our events accommodated a significant number of elderly. In partnership with external organisations, we organised a carnival at the community centre with free wellness talks and health check-ups. SP Leo Club ran a terrarium workshop at one of the booths. This gave participants the opportunity to make their own terrariums and take them home.

We hope to foster a caring, proactive community of youths that "Serve for a Cause, not for Applause". Through the provision of leadership and volunteer opportunities, we supplement SP student life with a window for meaningful experiences. Student volunteers are given the chance to appreciate the gift of giving and to further strengthen their commitment to be a good samaritan. Our goal is to make impactful, effective contributions to society and spread goodness all around.

Established in 2014, Leo Club of Singapore ITE College East was founded with the objective to empower the young to grow as individuals and leaders to give back to their community.

The initial years were marked by challenges. However, with the unwavering dedication and support from members of Lions Club of Singapore Compassvale, Leo Lecturers-in-charge and our Leos, the club began to take shape, attracting like-minded individuals who believed in the power of community service.

The club established a strong relationship with Lions Home For The Elders (Bishan). This allowed our Leos to contribute their part by befriending the residents. Over the past 10 years, our Leos have had opportunities to attend various activities from visiting the elderly at the Home to volunteering at eye screenings or helping out with the preparation of food ingredients, cleaning and washing of used utensils and pots, to sorting and packing of food items for food donation drives in Singapore.

Even during the pandemic, when physical interaction was limited, they continued to stay in contact with the community by creating videos of home exercises, handwashing techniques, and even filming festive dances.

“Leadership, Experience, Opportunity”, that is what makes a Leo. Our Leo members embody the best qualities of our club.

Looking forward, we remain committed to expanding our reach, deepening our impact, and continually adapting to the evolving needs of those we serve. As we celebrate our past achievements, we eagerly anticipate the challenges and triumphs that lie ahead, united in our commitment to community service and empowerment.

LIONS BEFRIENDERS SERVICE ASSOCIATION (SINGAPORE)

Lions Befrienders (LB) is a voluntary welfare organisation formed in 1995 by the Lions Clubs of Singapore. A district programme of the Lions Clubs of Singapore District 309, LB has over 25 years of history in providing holistic care and support for seniors to age healthily in place with community participation, enabling them to enjoy purposeful and meaningful lives.

Through the active involvement of about 1,000 regular volunteers, LB engages close to 10,000 seniors via a spectrum of integrated eldercare services catering to their social, physical, cognitive, emotional and spiritual needs. LB currently operates 10 Active Ageing Centres, 2 Community Case Management Services regions (Queenstown & Clementi), 2 Senior Group Homes (Queenstown & Tampines), Home Personal Care (HPC) and enhanced Home Personal Care (HPC+) [Queenstown, Clementi & Tampines] services, as well as a Befriending arm reaching out to socially isolated seniors.

CHARITY GOLF AND FLAG DAY

Charity Golf is a fundraising event where donors participate in a friendly golf tournament, supporting a greater cause to provide care for LB seniors.

LB Flag Day is conducted in different locations island-wide, with various Lions Clubs of Singapore playing a pivotal role in helping to receive contributions from members of the public.

PARTNERSHIPS WITH A CAUSE

LB has embarked on several fruitful partnerships in recent years. In 2023, LB joined hands with SUSS and 6 partners (AIC, FYCS, KWSH, NHG, NUHS and SingHealth) to gain insights into industry-leading approaches to capability-building in integrated care.

In 2022, LB signed a Memorandum of Understanding with five Biopharmaceutical Manufacturers' Advisory Council (BMAC) companies, leveraging technology to detect mild cognitive impairment and dementia in seniors using an A.I.-based application.

OUTREACH

1) Enhanced active ageing services for all seniors

Since May 2022, all LB's 10 Senior Activity Centres (SACs) have been converted into Active Ageing Centres (AACs), providing an enhanced suite of services catering to all seniors. These include Active Ageing programmes, Befriending and Buddying, information and referral to Care services, Community Screening and a social connector for seniors.

2) Community Case Management Service (CCMS)

Lions Befrienders transited to Community Case Management Service (CCMS) from Cluster Support with effect from 1 April 2023. CCMS is an intensive case management programme specifically designed to help vulnerable seniors and their caregivers who face difficulties in managing their multiple health and social care needs to continue living in the community or age in place.

3) Home Personal Care (HPC) and enhanced Home Personal Care (HPC+)

Started in 2017, to strengthen support for frailer seniors and provide greater reassurance to family members, LB has been appointed by MOH to roll out HPC+ services at 3 (Queenstown, Clementi & Tampines) of the 11 pilot sites. The services include a 24/7 technology-enabled monitoring and response element to detect falls and incidents, so that family members can be assured that their loved ones will receive timely help when they need it.

4) Senior Group Home (SGH)

The Senior Group Home (SGH) programme is an assisted living model that enables frail seniors to co-reside independently in HDB rental flats retrofitted with elder-friendly features. Operating at Tampines and Mei Ling, SGH aims to provide comprehensive support to the seniors through services such as meals on wheels, medical escort transport and home nursing.

5) Community of Care (CoC)

Commissioned by AIC, CoC is an overarching framework that aims to build a local network of collaboration among community social and health partners, to provide holistic health and social care for residents in their neighbourhood. It aims to build a seamless care ecosystem for seniors so they could age well, in place, and within the community.

6) LB Tech Care Ecosystem

LB has been at the forefront of technology since its digitalisation plan was launched in June 2020. Deployed under LB's Community of Care (CoC) framework, innovations include "IM-OK" which empowers seniors to self-report their daily well-being, and "IM-Healthy" where seniors can conveniently measure their health status.

KEY MILESTONES IN DIGITAL TRANSFORMATION

2019 – Smart Ward

In line with the nation's move towards being a Smart Nation, Lions Home For The Elders is poised to embrace the future of eldercare. Adopting a forward-looking and proactive approach in tapping on smart technology to provide a higher quality of care for our residents, the Smart Ward at Lions Home Bishan is a key milestone in our digitalisation journey.

Automated Turning Bed

- The automated turning bed allows the repositioning of residents to be automatically operated, reducing the time spent on turning the residents every two to three hours.

Thermal Scanner with Dashboard

- The thermal scanner with dashboard reduces the amount of time spent by staff in monitoring residents' temperature and allows them to perform other tasks.

Improvement of Hand Hygiene Compliance Using Wireless Monitoring

- The smartwatch device worn by staff automatically detects the staff performing the hand sanitising at the sanitising station and displays the number of times staff has sanitised their hands on the indicator on the same dashboard. The implementation of this device aims to improve hand hygiene compliance among staff.

2020 – OmiVista Mobii

OmiVista is a portable motion-activated projection system that is able to project interactive sensory activities, such as games and virtual colouring, on tables and floors and has various options to cater for different levels of dementia.

2022 – Kebbi Robot

A table-top social robot that can sing and dance with gestures, which has seen positive engagement among residents with dementia.

2023 – Dexie Robot

A life-size humanoid robot with realistic human-like facial features that is able to conduct activities such as singing, Bingo game and exercises for residents.

LIONS COMMUNITY SERVICE FOUNDATION SINGAPORE

LCSF OFFICE

Website:
www.lcsf.org.sg

During the governorship of District Governor Dr Winston Koh in FY1997/1998, the Long Range Planning Committee recommended the establishment of a Lions Foundation to be registered with the Registry of Societies and the Commissioner of Charities as an Institution of Public Character (IPC) with tax exemptions offered for donors. This was because its predecessor, the District Foundation which was set up to provide relief for natural disasters, was not able to solicit funds from the public as it was not a registered society.

At the 4th Sub-District 308-A1 Convention held in Singapore in April 2002, delegates unanimously approved by resolution the formation of the Lions Community Service Foundation (Singapore) [LCSF].

LCSF was registered with the Registry of Societies on 10 April 2003 and as a charity on 2 May 2003.

Lions Clubs, non-Lion VWOs, educational institutions of all levels as well as individuals in need of financial assistance may apply for grants from LCSF to support their projects or bursary fund in accordance with established guidelines for the application and disbursement of funds in furtherance of LCSF constitutional objectives. Grants from LCSF are received through its Grant Committee, approved by its Board of Directors, Trustees or members in general meetings depending on the amount of grant applied for.

Over the past 20 years, LCSF have touched countless lives.

VISION

To be recognised for achieving improvement in people's lives through community and humanitarian service from funds raised by Lions Clubs and Donors in Singapore.

MISSION

To support the efforts of Lions Clubs and Donors in Singapore in serving the community and addressing humanitarian needs through grants, programmes and partnerships.

OUR ACTIVITIES

Students:

The LCSF administered Singapore Lions Education Fund, established by the District in 2008 for the purpose of establishing scholarships, bursaries and other schemes to provide financial assistance to needy and deserving students from primary up to tertiary level.

Families:

LCSF also provides financial assistance to families made destitute due to the sudden death or illness of the main breadwinner or other economic hardship but whose family income does not meet the eligibility criteria for government financial assistance. Similar criteria also apply to grants to assist the procurement of prosthetic limbs through the Lions Prostheses Centre.

Lonely Elderly & Disadvantaged Youth:

During festive occasions, Lions Clubs organise festive treats for youth and elderly residents of welfare homes and lonely elderly participants at neighbourhood senior activity centres. LCSF funds such large scale festive treats organised at restaurants, as well as limited scale monthly or weekly social gatherings mainly over lunch at senior citizens activity centres or even at the void decks where these elderlies who live by themselves meet regularly to socialise.

FUTURE CHALLENGES

Just like any other charity, the main challenge that LCSF faces is in fund raising. LCSF does not get any funding or subvention from the government. Any assistance from the government is through its Enhanced Fund-Raising Programme of dollar-for-dollar matching grant for fund-raising projects that help the less fortunate in our community.

LCSF held its first fundraising event, “Evergreen Classics Charity Concert” by Ding Yi Music Company on 22 October 2022 at the School of the Arts (SOTA) concert hall. This year, LCSF in partnership with Mediacorp’s Love 97.2FM, organised a Lunar New Year Charity Reunion Lunch on 28 January 2024. Apart from raising funds for LCSF’s programmes, this event was an invaluable opportunity for LCSF to share about its activities to members of the public through radio.

CONCLUSION

LCSF will continue to look for areas where we can help as we continue our mission of helping those in need and making a meaningful difference in the lives of those we serve.

Last year, LSSC celebrated its 15th Anniversary with a Celebration Dinner on 29 September 2023 at the Chui Huay Lim Club.

LSSC is serving one of the 5 Lions Clubs International Global Causes, which is "Vision". The overall objective is to prevent avoidable blindness and to improve the quality of life for people who are visually impaired, especially the underprivileged and vulnerable in our community.

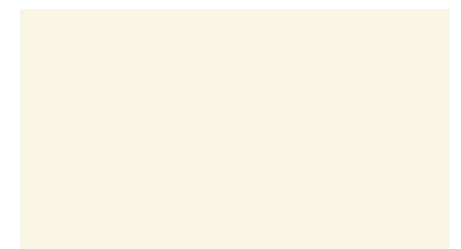

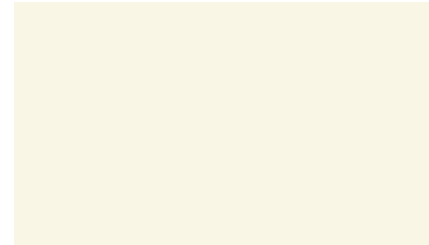

LSSC'S ACTIVITIES FOR THE PAST 15 YEARS INCLUDE:

1. Annual Eye Screening projects for the seniors in our community, “Lions World Sight Day” which is usually held in the month of October in conjunction with LCI World Service Day.
2. Regular local eye screening projects for the seniors at selected community centres, Homes and Active Ageing Centres (AAC's).
3. Regular Eye Care Lectures & Education Talks to the public and schools to educate our young on the importance of proper eye care.
4. We pivoted to regular Virtual Eye Webinars via Zoom which was started during the Covid-19 measures (2020 to April 2022) when mass physical health screening activities were not allowed.
5. Current mode of operation in 2023/2024 is now hybrid with a combination of regular online webinars as well as physical eye screenings.
6. LSSC has just started in 2024 eye screening projects for needy school students.

Todate, LSSC had screened the eyes of many thousands of senior beneficiaries in our community and educated many on eye conditions via its public education efforts.

The current chairman of LSSC is Ms Charity Wai. She is supported by the Board of Directors of LSSC. LSSC is supported by 65 Ordinary Voting Member Lions Clubs of Singapore.

LIONS INTERNATIONAL STAMP CLUB CHAPTER 12 SINGAPORE

The Singapore Chapter (Chapter 12) of the Lions Club International Stamp Club was inaugurated on the 21 August 2007 with the aim of strengthening Lionism through a common interest in stamp collecting and to raise funds for the District 309 entities and the needy.

The idea to start a Chapter in Singapore was mooted at the 90th International Convention in Boston, USA in 2006, following a meeting between PCC Anthony Cheong with then LISC President Thierry de Wandeleir and Secretary Michael Gelber at the LISC booth. Strong encouragement from them and armed with all the necessary materials provided, the impetus to introduce and start a Chapter in Singapore was fired.

The objective of LISC is to foster and develop the avocation of stamp collecting and philately amongst Lions, their families and the general public as an official activity of LCI.

SINGAPORE ISSUED STAMPS

Stamp Sheets

FDC Issues

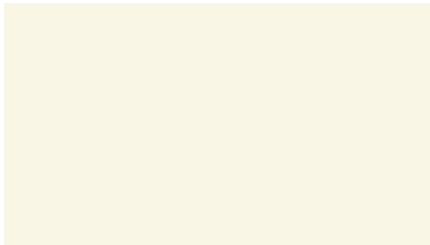

National Centennial Issue

Membership is open to all Lions in District 309. Leos and non-Lions may join as Associate members. Membership is not limited only to those with an interest in stamp collection. Anybody who is interested in community service through a different means is more than welcome to join the Chapter. Lions members from different Clubs recognise and enjoy the special fellowship and relationship amongst them. LISC members and its activities are excellent ways to communicate with other fellow Lions, locally, and at international level.

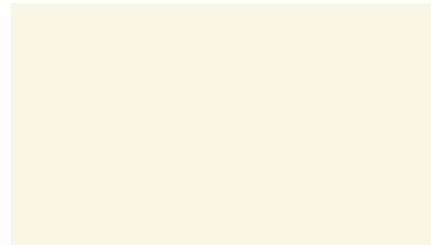

In 2009, LISC Chapter 12 adopted a service project with the Association for Persons with Special Needs (APSN)'s Centre for Adults (CFA). Used stamps were collected, repackaged and sold, giving the intellectually disabled a means of income. This service project has since been passed to the seniors at Lions Befrienders Service Association's Service Activity Centre (SAC) in Bendemeer. There are plans to extend this activity to the others SACs/AACs and grassroots organizations in the community. Through this, LISC hopes to highlight its activities to the general public as well as enhance the image of Lionism in Singapore.

To-date, Chapter 12 has successfully assisted in the founding of Chapters in Malaysia, China, Hong Kong, Taiwan and recently, the Philippines. Together with these Chapters, Chapter 12 looks forward to bringing the LISC movement to our fellow Lions in the other countries in OSEAL.

LIONS PROTHESES CENTRE (SINGAPORE)

Singapore has one of the world's highest number of diabetes-related amputations; over 1,500 cases a year or about four a day. The high costs of artificial limbs deprive some lower income amputees the joy of independence, forcing them to rely on crutches or wheelchairs for limited mobility.

Lions Protheses Centre (Singapore) (LPC) was founded in 2020 by a group of 21 Lions Clubs in Singapore to offer a second chance for amputees from poor or underprivileged families to live full, independent, and productive lives.

This is a gift of hope and well-being not only to the amputees but also to their spouses, children and family members who are caregivers. LPC will also offer to service and repair existing prostheses which are made through our sponsorship.

LPC's Social Service Agency (SSA) was approved by the Singapore Registry of Societies on 12 May 2020 (UEN T20SS0073D). In January 2023, it was also approved as a Charity under the Charities Act 1994. Its membership stands at 58 Lions Clubs with 1,621 Lions members as of 11 Jan 2024.

VISION

To enhance the mobility of amputees

MISSION

To sponsor needy amputees with prosthetic limbs

TAGLINE

Beneficiaries of LPC

OBJECTIVES

1. To provide free or subsidised prosthetic limbs to low-income amputees to enable them to enjoy a better quality of life by:
 - a) Being independent of crutches, wheelchairs, or other mobility aids
 - b) Having a life not hampered by limited mobility
 - c) Being able to work and make a living wherever possible
2. Provide awareness of diabetes prevention programmes to the community

MEMBERSHIP WITH LPC

Membership is open to all operating chartered Lions Clubs of Singapore which are registered under the Societies Act (Cap 311) Singapore. There are no entrance fees nor subscriptions. All that is required is the willingness, compassion, and commitment to serve the disadvantaged and less privileged in our community.

- Assist in LPC operation by serving as Board members or Sub-Committees members
- Participate in service programs, events and fund raising projects
- Create awareness of diabetes prevention program to reduce the prevalence of diabetes

Our team is deeply grateful to District Governor Yeo Siew Yam for her pivotal role in the creation of Our Lions Story, her unwavering support throughout the production process and for giving all of us the opportunity to be part of this amazing project.

We extend our sincere thanks to our team members, including Lions Eng Teal, Stella Hou, Winnie Lee, Leow Chua Mong, Melvin Liu, Serene Ng, Su Ying, Lily Tan, Tan Su Yen, Tay Jia Ming, and Ada Zhang, whose consistent and generous contributions were indispensable for the completion of this project.

Our appreciation goes out to Past District Governors Bobby Eng and Jeffrey Yang for granting permission to publish from the first two editions of the book. Lions Sherwin Seow and Jonathan Foo also provided invaluable assistance and support in this regard.

The Anniversary Book is the result of the collective efforts of all Lions Clubs, Entities, and Programmes, as well as Lions, Friends, and all those who contributed to its publication in any way. We sincerely thank you from the depths of our hearts.
