ART Learning with S.T.E.M.

Our Objectives

The Lions Club of Singapore Fort Canning is organising The Lions Art Fest 2024 with the aim of achieving several community objectives:

1. Engaging Special Needs Communities by involving them in art creation and providing a platform to showcase their expressions and talents.
2. Involving the public by promoting interest in art through on-site art jamming and displaying artworks in the art gallery.
3. Collaborating with Lions Befrienders Active Aging Centers to encourage the elderly to participate in art as a leisure activity and express their thoughts and emotions.
4. To break a Singapore Book of Records to showcase largest number of painted lions' figurines.

The project will engage various communities, including children and youth with special needs, beneficiaries of Active Aging Centers, the public of all ages, and local Singaporean artists.

Supported by:

Event Activity

Roaring Creativity, Breaking Records:

Lions Art Fest 2024

Join the pride in painting Singapore's largest lion figurine collection, uniting youth, beneficiaries, and art enthusiasts.

Supported by:

our **SG** fund

Appeal for Sponsorship

Help us set a new Singapore Book of Records benchmark by sponsoring the painting of Lion figurines by underprivileged individuals (from our LBSA AAC, SPED schools). In the past, we invited

- LB Seniors,
- Northlight School,
- Towner Gardens School,
- Canossian School,
- APSN and others to participate.

Your support not only contributes to breaking the record but also leaves a lasting impact, creating memorable moments for years to come.

Join us in making this event a resounding success!

By sponsoring:

\$38 per figurine (individual)

Set of 10 per AAC or SPED School ; \$380

Set of 25 per AAC or SPED School : \$950

Set of 50 per AAC or SPED School : \$1900

***Net proceeds will be donated to Lions Home for The Elders**

***Contact: Jennifer Ho 90177760 or Wilson Chia 96667927**

***Sponsoring clubs/individuals can either keep all the figurines or return them to respective centers**
